

"We give newly diagnosed pediatric cancer families collapsible wagons filled with both practical and comforting items to help them on their cancer journey."

Welcome!

We are excited to add **Intermountain Health, Primary Children's Hospital** in Salt Lake City to our network this summer! **Caroline Dolan** is serving as our local coordinator. She is an oncology social worker who, along with her colleagues at Primary Children's, are excited to be a part of our program in Utah!

Nicole Caporale assumed the role of local coordinator for our **Lurie Children's Hospital of Chicago** branch. She and her family have lived in the suburbs of Chicago for over five years and are excited to be a part of our team helping Chicago families. They took over for the Borchardt family who faithfully served with Warrior Wagons for seven years.

Words from a Warrior Family

"As a parent of a recipient of one of these wagons, thank you so much. It was so incredibly helpful during treatment and after" – Kenny Sellers

New Blanket and Quilts Partner

Project Linus
Providing Security Through Blankets

We're happy to have found a new partner in **Project Linus** for locally made blankets and quilts for our Mayo, Chicago, St Louis, Salt Lake, and Fresno branches. This national nonprofit receives and distributes handmade blankets/quilts to groups serving children.

Heidi Becker, Founder and Director, released a memoir this spring! **Grasping Joy** tells Drew's story and the beginnings of Warrior Wagons, as well as how to have joy on life's most difficult journeys.

The Becker family is personally donating copies of the book to be included in our Warrior Wagons.

2026 Grants and Donations

Warrior Wagons gratefully received several grant this year: **St Louis Cardinals Care, Clovis Rotary Club, Astrup Foundation, and Clovis Country Lions Club**. We also accepted generous donations from **Westminster Presbyterian Church, Peace Lutheran Church, Family Eye Care of Austin, American Legion Post 235, National Concierge Association-Chicago Branch, Rochester Morning Lion's Club**.

ASTRUP Family Foundation
Family Values - Faith - Education - Healthcare - Strong Communities

Several individuals and families also made large single donations or contributed monthly to Warrior Wagons. Thank you for your generous support!

Mayo Visit

Heidi and Molly visited our Mayo Clinic Branch this summer. They toured the newly renovated peds floor at the hospital, visited the downtown clinic and oncology team. They also presented to the **Rochester Morning Lion's Club**, and met with our local coordinator **Martijn Bos**. It is always special to visit the our home hospital!

Your support allows us to continue serving fellow childhood cancer families. \$250 will fully fund a Warrior Wagon for a newly diagnosed family. Will you be a part of our program?
